# PREFACE

IN presenting the Seventy-first Annual Edition of the City of Hamilton Directory, we thank the business men and patrons in general for the liberal and enthusiastic support they have given us.

The number of names in the Alphabetical Section is 89,645. Wives' names approximate 35,400 making a grand total of 125,045 names in this section of the Directory.

The Street Directory shows some 45,750 listings including Householders, Firms, Offices, Buildings and Institutions. Our estimate of the population of the City proper is 190,750.

There are a number of persons whose names are in the directory who just live outside the city limits, and others who live in nearby municipalities including Bartonville, Hamilton Beach, Normanhurst, Strathbarton and Strathearne, so the residential and working population of Greater Hamilton is 201,701.

While the increase in the population of Hamilton and adjoining territory this year seems extraordinary, it may be accounted for by the fact that in every case where the husband has enlisted and left the city his name has been included as a resident, provided his wife is living here. This inclusion, with the influx of new residents, makes up the increase of population.

WHAT'S IN A NAME?

When it comes to making a major purchase, such as a PIANO, this is when a name, time tried and time honoured, takes on a very special significance.

The name HEINTZMAN has stood for the *Highest in Quality* ever since Heintzman Co. were founded away back in 1850.

***"Let a Heintzman be Your Choice"***

# IF *YOU* DON'T NEED IT ..
# *SELL* IT TO *SOMEBODY* ELSE

When a thing is no longer USEFUL, it should go to the scrap pile as junk. BUT . . . if it is still useful, or can be made useful, it should not be wasted by being left idle. SOMEBODY can use it . . . SOMEBODY needs it!

A Spectator Want Ad. will tell many thousands of people what you have to dispose of. Read Spectator Want Ads. regularly! Any day, they may tell YOU how to get something you've been needing.

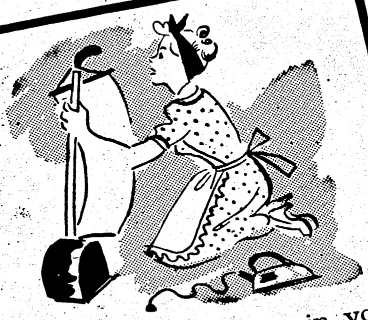
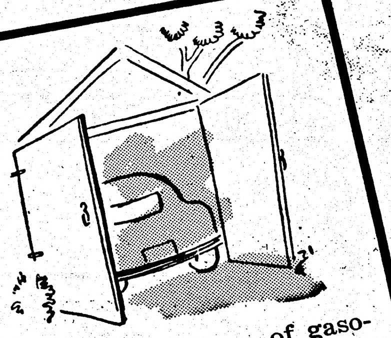
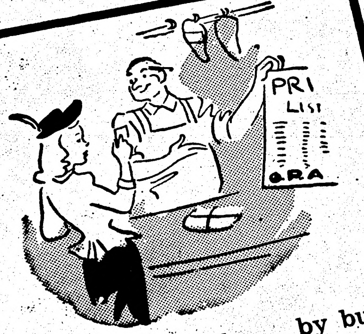
**FIGHT WASTE** . . . in your kitchen, by keeping foods fresh — using no more than you need—and working wonders with leftovers.



**FIGHT WASTE** . . . in your home, by keeping all electrical appliances in safe and current-saving condition, at all times.



**FIGHT WASTE** . . . of gasolene and rubber by having tires checked and oil changed regularly to assure utmost mileage.



**PLAY SQUARE** . . . by buying only at ceiling prices and using your ration stamps carefully for their exact values.

FIGHT TO WIN! — Fight the most terrible waste of all— the waste of human life — by buying War Savings Stamps regularly, and turning them into Bonds, regularly!
